EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Attorney Edward F. Murphy III on December 5, 2005.

2. In view of the allowance of the generic claim, the election of species requirement is withdrawn by the examiner. All non-elected claims are allowable.

3. The application has been amended as follows:
page 17, Abstract, lines 2-3, three occurrences "said cavity" have been changed --the cavity--.

4. The drawings filed on December 15, 2000 and the drawing filed on September 23, 2005 have been accepted by the examiner.

REASONS FOR ALLOWANCE

5. Claims 1, 4-10, 12, 13, 15, and 16 are allowed.

6. The following is an examiner's statement of reasons for allowance:

Kashima et al. (JP 4-331840) disclosed a damper comprising: a housing including a cavity; a first member disposed in said cavity and movable in said cavity; a second member disposed in said cavity; an intermediate member between the first and second members, the first member being in frictional engagement with the intermediate member; at least one magnetic field generator mounted to magnetically couple the first and second members thereby maintaining the first member in frictional engagement with the intermediate member and wherein the first member is movable against the intermediate member to generate a damping force. However Kashima et al. failed to disclose wherein the second member moving in response to a movement of the first member wherein the second member lags behind the first member when the first member is initially displaced.

The aforementioned limitations and the arrangements thereof are not taught in the prior art. In light of the foregoing, the claims of present application are found to be patentable over prior art of record.

.Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

7. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Mariano Sy whose telephone number is 571-272-7126. The examiner can normally be reached on Mon.-Fri. from 8:30 A.M. to 2:30 P.M.
